## TERMS OF SALE

New bidders must read and abide by these terms

- I. All bids are entered as soon as received. Lots will be sent to the highest bidder. Mail your bids early, as thousands of bids have to be entered.
- II. Please bid by piece, not by the lot. Thus 3 pieces in a lot and you wish to bid \$1.50 for lot, then bid 50 cents for each piece. When two bids on the lot are the same, the first received gets the lot. Where the number of pieces in a lot is not given after the description there is but one piece in the lot.
- III. Bidders unknown to us and having no previous credit established, are requested to give reliable reference or their bids cannot be executed, and must forward in advance a remittance or deposit of at least 25% of the amount of their bids. This is final, otherwise bid will not be accepted.
- IV. Remember, this is strictly a CASH SALE, time not granted, therefore your remittance must be made promptly within one week after delivery of all purchases. This is FINAL. The coins we are selling are generally the property of others and we have to make an accounting to them. Buying coins at auction sales is not the same as receiving coins on approval. The coins are bought for you on your order and you are of course expected to accept. Your bids are as binding as any contract, so do not bid unless you are certain you can pay promptly for what you bid on.
- V. Remit by money order, payable to Rollo E. Gilmore. Stamps in 1c or 1½c denominations accepted in amounts below one dollar only.
- VI. Bids will be executed for the usual charge of 5% of actual purchase, for packing and sending out material, but where the parcel is bulky an additional packing charge will be made. Express or postage extra.
- VII. Should you wish advice on how much to bid on any item, write us and we shall be glad to inform you as to its value. It is useless as well as an imposition to make low bids that have no chance of success.
- VIII. Bids must be in the office on the morning of the date of sale. Write your bids plainly, with a pen if practical, and mail early.
- IX. LET US SELL YOUR COLLECTION or duplicates at our next auction or private sale. Write for terms. They are no higher than elsewhere. Material to be sold in next auction sale must reach us before the 30th of the month following this sale. Sender must pay Express or Postage. Don't delay, ship now.
- X. To insure your being kept on our auction mailing list, you must send in bids. If you find nothing in this auction to bid on, request next auction list by post card.
- XI. No claims allowed unless same are made promptly and by writing first, within 30 days of the date of the sale. We will adjust errors, but we will judge merit of all claims, and no material returned unless it is the fault of the Cataloguer. Study the Catalogue. The Cataloguer has endeavored to describe all coins fairly without overrating.
- XII. A neatly prepared list of Prices Realized of this sale, showing amounts each lot was sold for will be sent for only 50 cents, cash with order. After the Sale the price will be \$1.00. With prices, this catalogue becomes a valuable reference.
